Key Insights & Recommendations

● Contracts

Month-to-month churn 43% vs 3% on 2-yr → push annual plans with discounts.

● Onboarding

First 6 months churn ~48% → invest in a 90-day customer success program.

● Add-ons

Tech Support / Online Security cut churn by ~25 pts → bundle by default.

● Fiber

Fiber-optic churn 42% (3x DSL) → audit price, reliability & expectations.

● Payments

Electronic-check users churn 45% vs ~15% auto-pay → incentivize auto-pay.

● High ARPU

Customers >\$80/mo churn disproportionately → proactive CSM outreach.
